CONTRACTORS CORP

VOLUME 01
Summer 2014

Summertime is finally upon us and with the warmer weather business has picked up dramatically!

BELOW ARE JUST A FEW OF OUR CURRENT PROJECTS WE WOULD LIKE TO FEATURE...

UMUC – Hotel Renovations:

Boulevard has just been contracted to assist in the renovation of the University of Maryland University College Marriott in College Park, MD. Located on campus, the hotel is used for extra student housing and overnight visitors to the area. We are very excited to work on this prodigious project. Completion expected in the Fall of 2014.

Clifton Mansion – Historic Revitalization:

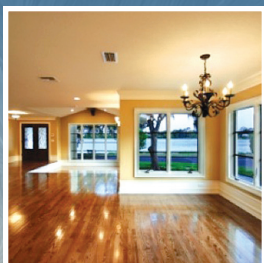

The City of Baltimore recently allocated just over seven million dollars for the renovation of the historic Clifton Mansion. Built in 1803 and once the summer home of Johns Hopkins, the mansion sits on the site of the famed Clifton Park in northeast Baltimore. We are very lucky to have the opportunity to help restore such a breathtaking building and facility.

Arundel Community Development Services – Full Renovations:

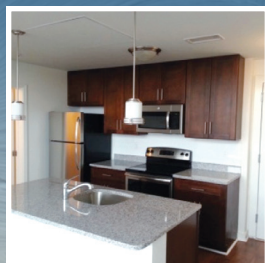

Boulevard has been working diligently to fully rehabilitate numerous single family homes in Anne Arundel County in the recent months. With the assistance of ACDS, we have been able to help local homeowners turn their houses into their homes while always remaining on schedule and on budget.
