

# BOULEVARD CONTRACTORS CORP

VOLUME 02

"The Road To Success Is Always Under Construction" – Lily Tomlin

**PLEASE TAKE A LOOK AT A FEW OF OUR ONGOING CONSTRUCTION PROJECTS**

## **Mt. Vernon Hotel**

Boulevard Contractors is working on historic renovations at the Mt. Vernon hotel in Baltimore, preserving its historical attributes while giving it a more modern look. The Mt. Vernon hotel was built in 1907 and was originally the city's YMCA. It is also close to Baltimore's Inner Harbor. This renovation should be completed this summer.

## **Engine House 45**

Boulevard Contractors has been working with the City of Baltimore on their renovation project of Engine house 45 located in Baltimore City. This station was built in 1951 and since then it has been a part of the history of Baltimore. The station also has been hosting the Christmas Train Garden every year since 1955. Full renovations will be completed by mid summer.

## **Holiday Inn**

We have had the pleasure of working with the Holiday Inn located in Jessup, Maryland throughout the year. We have completed a number of different interior and exterior projects. This year we will be facilitating the hotel with the modernization of their ballroom and guest suites.

## **Severna Park Library**

Boulevard Contractors has just completed major renovations of the Severna Park Library located in Anne Arundel County, MD. This library offers a wide variety of activities from story time for infants to book clubs for the youth. We are very pleased to have been able to renovate this wonderful library by giving it a new contemporary look.

# What Our Clients are Saying about Boulevard Contractors!

## Islamic Society of Baltimore

"Boulevard Contractors has completed our construction projects in the last few years, with excellent professionalism. The scope of projects have included all facets of interior and exterior, new construction as well as major renovations. These services have included foundation work, structural, electrical, plumbing, mechanical, and all facets of general carpentry. The project management by Boulevard Contractors has been very impressive. Boulevard is meticulous, methodical, prompt and responsive. Good communication and coordination have been very obvious. Boulevard is very dependable and time conscious for getting the job done. We certainly shall use Boulevard Contractors for our future projects."

- Muhammad Jameel  
*President, ISB*

## Mutual Associates

"It is with great privilege that I recommend Boulevard Contractors. Mutual Associates hired Boulevard Contractors to manage and complete the construction project of a new two story Doctors office in Linthicum, Maryland. Boulevard Contractors managed this project from its initial start and completed this project successfully and in a timely manner."

- Dr. Syed Riaz  
*Owner, Mutual Associates LLC*

## Department of General Services.

"Boulevard Contractors has been working on our projects over the last few years. Boulevard has showed great dedication and knowledge for each project. Boulevard has been a pleasure to work with and are always responsive. I can comfortably say that I will contact Boulevard Contractors for all our future construction projects."

- Ray Kaliush  
*Procurement Officer, DGS*

## Mufti & Associates Inc.

"Mufti & Associates INC. has been working with Boulevard Contractors for the last seven years on various types and scale of projects. This includes interior renovations, additions, new construction and site work. Their expertise are both in residential and commercial construction. Boulevard Contractors understands the field of construction, they were thorough in their services. They have completed their projects on schedule and in budget. I highly recommend their services."

- Mohammad Ijaz Mufti  
*President, Mufti and Associates Inc*

The essential members of the Boulevard team have over 30 years of combined experience in the Construction industry. We work hard to keep costs low and efficiency high.
